

IMPORTANT ANNOUNCEMENT:

# 2024 Open Enrollment is starting soon!

Don't miss your chance to **choose your own** health insurance for 2024!

## Easy Tips to Prepare for Open Enrollment:

### Think about your 2024 health needs

- Make a list of preferred providers and any current or new prescriptions
- Note any planned procedures
- Gather personal info (*SSN & birth dates*) for yourself & any family members

### Reflect on your 2023 health plan

- In most cases, your carrier will offer the same or a similar plan in 2024
- Browse other available plans to make sure its still the best plan for you

### Log into your Take Command account

- You can view your current plan
- Some accounts may have multi-factor authentication enabled where a verification code will be emailed to you. Enter it on your portal login screen

### Look for emails from Take Command

- Emails with enrollment information will start in November
